Other message: Sheldon: further to our telephone conversation of last week, here are tax notices for property owned by the Webster Estate in the Rico area that were not included in the right of access agreement. Even though these tax notices are for 2001, Mrs. Graham confirmed today that taxes have been paid and the Estate continues to own these parcels. In looking back at my fax to you of March 13, I note that I only included the Estate's property in the vicinity of the "mill and tailings" area. For your information, counsel for the Estate in Texas advised me today that they have not yet filed an "inventory" of Estate property as they are waiting to see if the proposed settlement with EPA actually becomes final.
